#### WOULDN'T YOU LIKE TO KNOW?

How much money we've made? How much we have spent?  
What we have borrowed and what we have lent?  
Who played the leads? Who played the bits?  
What were the flops and what were the hits?  
What did the "slaving" committee folks do?  
Who "overtimed" on the back stage crew?  
What are the plans for a summer show?  
These are the things League members should know.
