CLEANING CONTRACTOR
Main 1664 — Tacoma

After we clean the exterior of your house it may not require painting — It's worth trying.

CHIT CHAT BETWEEN SCENES

Have you noticed the stage set? It is authentic of the style of decoration in the early 1900's; the formal arrangement of actors' names, and the Century type used in this program are also in period.

The New Theatre needs amateur wielders of the hammer and saw. If you can give a night a week, or less, to this won't, won't you phone Wallace Showman, Broadway 4111, or J. K. Gordon, Broadway 1105.

Next year's membership cards are ready, and may be obtained at the door. The dues have been increased only fifty cents, in spite of the greater comfort and increased program afforded by the new theatre. The great advantage of being a member next year will be that of getting **first chance at reserved seats** for all plays. Dues will be \$3.00 plus tax, and a limited number of student memberships at \$2.00 will be offered.

The Annual Meeting and dinner is scheduled for June 5th at Lakewood. This year's gathering should be full of interest because of the new theatre and many plans. The Garden Sale was a big success as a financial benefit and if you bought your tickets on the needlepoint chair that will be successful also. It will be delivered to the winner at the Annual Meeting.
