Contact the theatre box office for more information.**

A special gift for a special friend is a Season Ticket from the

Tacoma Little Theatre

The Tacoma Little Theatre is **not** a closed corporation — every ticket holder is a member. Many people are needed in every production, and men seem to be at a premium. We need a variety to make any show go. Theater is a tremendous chance to do something different and a chance for self expression in many different ways. There are jobs backstage that are rewarding, that take time, but always give a real sense of accomplishment. We need money all the time but right now we need lots of help as well as financial aid. This sounds like a pitch for all of our members and friends to get right in there and work. It is! We want you and we need you. Please fill out the form below and leave it at the box office.
