*A special gift for a special friend is a Season Ticket from the  
**Tacoma Little Theatre***

The Tacoma Little Theatre is **not** a closed corporation — every ticket holder is a member. Many people are needed in every production, and men seem to be at a premium. We need a variety to make any show go. Theater is a tremendous chance to do something different and a chance for self expression in many different ways. There are jobs backstage that are rewarding, that take time, but always give a real sense of accomplishment. We need money all the time but right now we need lots of help as well as financial aid. This sounds like a pitch for all of our members and friends to get right in there and work. It is! We want you and we need you. Please fill out the form below and leave it at the box office.

## WHO'S WHO

by LVR

**Frank Hope** has been active at TLT for the past year, having appeared in "Our Hearts Were Young and Gay" and "George Washington Slept Here". **Frank** was nominated for a Dickie Award for his role of "Uncle Stanley" in G.W.S.H. A Dickie Award winner for her performance in "Summer and Smoke", **Pat Estefan** is welcomed back to TLT after an absence of almost two years. **Pat** has two teen-aged sons at home and says "they keep me very busy". **Shirley Peck** is another cast member last seen in "George Washington Slept Here". She studied drama at T.C.C. and now keeps active at home with her eight children. **Fred Mazie**, a social worker with the Family Counseling Service in Puyallup, has appeared in plays in both Bellingham and Bremerton. His hobbies include playing the piano and hiking. Active in theater groups from Texas to Rhode Island, **Enedina Garcia** studied drama at the University of Texas and the Virginia Museum Theater. She is married to a Major in the U. S. Army, and besides acting, she also takes classical ballet. Another new face at TLT, **Jan Porter** says she has never acted before. She taught occupational therapy at the University of Puget Sound before becoming a program co-ordinator at Western State Hospital.
