WELCOME TO A TRIBUTE TO SCOTTIE TEMPLETON

Your emcee for the evening is Lou Daniels. Lou hasn't been on stage so much, you'll have to forgive his pitted out shirt.

Dr. Gladys Petrelli had been Scottie's personal physician for over eight years. Don't let her gruff exterior fool you. Inside beats a heart of pure flint.

A lot of you gentlemen out there may recognize Hilary—but don't let your wives know. But ... if you're ever in the Bahamas ...

Sally Haines is the latest of Scottie's "dependents." She's a full-time model and a part-time welcome wagon volunteer.

All of Scottie's oldest friends will remember Maggie Stratton as the Ex-Mrs. Templeton. Scottie affects the lives he touches in many odd ways. Maggie is now a professor's wife and lives in Canada.

Of course this tribute would never have been possible without the driving force of Scottie's loving and devoted son, Jud Templeton. He is an erstwhile playwright and is heading for the west coast to work in "the business."

We were going to add a short bio of Scottie Templeton, but

that would be like trying to condense *War and Peace* into a 35-page paperback. Instead, we leave a space for you, his good friends, to write your own thoughts, memories and feelings of Scottie.
