The Director...

Mark Sheppard has been acting and directing since he graduated from the University of Washington with a master's in fine arts seventeen years ago. His last production at Tacoma Little Theatre was "Pack of Lies" last season. Mark is drama instructor at Northwest School for the Performing Arts and Lakeside Academy. He consulted during the formative stages of the Tacoma Little Theatre Drama School, worked with the Seattle Children's theatre on their education program and will be teaching Shakespeare this summer on Mercer Island through Youth Theatre Northwest. Mark's experience in working with young people qualifies him particularly for this production of "Oliver."

The Author...

Lionel Bart is an English composer and lyricist whose works in addition to the Tony award-winning 'Oliver!' include the title song for 'From Russia With Love,' and the music and lyrics for 'Lock Up Your Daughters' and 'La Strada.' He also served as musical advisor for the film 'So You Want To Be In Pictures.'

In the Lobby...

The juried show represents the works of Lakewood Artists. Thank you to this group for sharing their talent. All works are available for purchase.

Margaret Treleven, Tacoma graphic designer, gives an indication of her work in the display outside the refreshment area. Feel free to take her card.

Also on display and available for purchase...

Miner Trinkets by Karen Miner, whose ceramic jewelry and decorative pieces becomes more inventive each show.

Tacoma Little Theatre Appreciates the Support
of the Tacoma/Pierce County Corporate
Council for the Arts.

TACOMA LITTLE THEATRE

Tacoma Little Theatre is a non-profit community theatre. **Any and All** donations are "tax deductible." Your name can be added to those in this program by donating the tangibles that help put a show on the boards. Cash donations are wonderful but don't forget, we can always use paint, period clothing, furniture, lumber, office supplies, and a **personal computer!!** Thank you for supporting "your" only true community theatre —
