Director's Notes

Gilbert & Sullivan were the *Saturday Night Live* of their times, poking wildly satirical fun at everything from upstart Major Generals who knew nothing about the army to the Victorian adoration of Duty and Poetry and all things "high-minded." We hope you have as much fun watching this production as we did preparing it for you!

A devoted public school employee by day, she and her husband Dean have stage managed over a half-dozen productions together. They love musicals!
